LARGE FUNERAL

REMAINS OF CHARLES F. BROWN LAID TO REST.

One of the Largest Funerals Ever Witnessed in Pendleton—Coach Load of Friends From La Grande—Orders of Eastern Star, Masons, Knights Templar and A. O. U. W. Take Part in the Funeral—Rev. Robert Warner Conducted Services at M. E. Church—Interment at Olney Cemetery—Floral Offerings Beautiful—Many O. R. & N. Officials and Employees Attend.

The funeral of the late Charles F. Brown was held this afternoon at 2 o'clock from the M. E. church, of which he was a member, the services at the church being conducted by Rev. Robert Warner. The Knights Templar, Masons, Eastern Star and A. O. U. W. took part in the services, and joined in the long procession which followed the remains from the home on South Main street, where they were immediately taken Tuesday night on arrival from La Grande, to the church.

After the services at the church, one of the largest processions ever attending a funeral in this city, followed the remains to Olney cemetery, where the beautiful funeral service of the Masonic order was performed. The pallbearers were: H. C. Grady, Dr. C. T. Bacon, F. S. Stanley and J. M. Berry of La Grande, and A. P. Nash and John Vert of this city, all members of the Eastern Oregon Commandery of La Grande, to which Mr. Brown belonged, and Conductor C. H. Norris and W. H. Bohnekamp of La Grande, honorary pallbearers.

A special car was attached to No. 1 this morning carrying about 70 friends from La Grande, who came over to attend the funeral. Members of the Order of Eastern Star, Masons, Knights Templar and A. O. U. W. were among the number, besides large numbers of railroad men and former friends of the deceased, who resided in La Grande for 10 years prior to coming to Pendleton.

J. P. O'Brien, superintendent of the O. R. & N. system, J. F. Graham, master mechanic, M. J. Buckley, division superintendent, J. D. Matheson, foreman of the mechanical department of La Grande, Ed Walsh, first dispatcher of La Grande, T. Walsh, trainmaster, La Grande; W. J. Lindsay, mechanical department, Albina; A. J. Martin, supply department, La Grande, were all in attendance at the funeral.

Among the prominent railroad employees present were, Conductors H. C. Grady, T. E. Reuhler, A. Goldstone, A. A. Prosser, D. Baird and C. H. Norris of La Grande; F. L. Coykendall, Martin Anderson and A. P. Nash of this city, and J. A. Allison of Portland, and Engineers F. Schilke, F. E. Holm, J. A. Carlson, H. C. Humphrey, J. R. Swaney of La Grande, and Ed Swain of The Dalles. Sixteen members of La Grande chapter Order Eastern Star, 30 members of the Masonic fraternity and about 10 members of the A. O. U. W. from La Grande were present at the funeral. The floral offerings were extremely beautiful and profuse.

The universal expressions of regret and sympathy heard from every friend of the deceased are evidences of the popularity of Charles F. Brown, whose place in the community, in the fraternities, in the service of the O. R. & N., will be difficult to fill.

\$1 PER MONTH.

Excess Over 16,000 Gallons Will Be Charged to Consumer.

During the winter months Water Superintendent James N. Brown will not read meters in the residence districts, but consumers will be charged the minimum rate of \$1 a month. This entitles the consumer to 4000 gallons of water.

"However," said Mr. Brown, "when the meters are read in the spring for the entire four months, if the water consumed exceeds 16,000 gallons, the excess will be charged for at the regular rate of 25 cents per 1000 gallons."

"A number of persons are of the opinion that during the winter when the meters are not read that they are privileged to use all the water they want to, and that the charge will be but \$1 per month. From the fact that a great many closets have been connected with the sewer, I estimate that in most instances the 4,000 gallons limit per month will be exceeded."

JOE CONNER'S TRIAL

Is Accused of the Murder of Wacheno, a Grand Ronde.

Deputy United States Marshal Jacob Probstel, of Portland, this morning served a subpoena on Abraham Mitchell, alias Joe Conner, to appear before the federal court in the trial of Louis Savage, the Grand Ronde Indian accused of the murder of Wacheno. The murder was committed on the Grand Ronde agency last May.

Savage is a half-blood resident of the Umatilla reservation. He secured the nickname of Joe Conner when a boy attending school, by reason of his being compelled so often to stand in the corner because of tardiness. The name Joe Conner was soon corrupted into Conners, and he is now known all over the reservation and on the records of the federal court by that appellation.

Marriage License Record.

License to marry has been issued by the county clerk to the following: William F. Landrum and Louis Norris, both of Umatilla county.

RETURNED FROM GILLIAM.

N. Howland Is Favorably Impressed With Central Oregon County.

N. Howland, of this city, has just returned from a visit through Gilliam county, where he went three weeks ago for the purpose of looking over the country with a view to locating if he could find suitable land.

He is very much impressed with parts of Gilliam county and while it is "spotted," and had in streaks, there is some excellent farming land to be found at very reasonable prices. The climate is good and water in the foothill districts is plentiful in places and of the best quality.

He believes the average yield of the Gilliam county farms could be increased by improved methods of farming, and that industrious and energetic farmers can do well to invest there while land is cheap.

Work on the Arlington-Condon road is being rushed as rapidly as possible, but the grade is being completed in spots. He estimated that not more than 150 men are now employed on the grade. The completion of the road means a great deal to the farming interests of that section, as it will stimulate farming, which is not now carried on very extensively because of the poor transportation facilities.

DEATH OF A PIONEER

JAMES S. PHILLIPS
PASSES AWAY AGED 78.

Was a Veteran of the Mexican War and Came Overland to Oregon in 1852—Had Lived in Umatilla County Thirty-six Years—Is Survived by Three Children and a Large Number of Grandchildren and Great-grandchildren.

James Simpson Phillips, commonly known as "Grandpa Phillips," died November 7, 1904, at the home of his son, Samuel T. Phillips, of Dry Creek, near Weston, from the effects of a throat paralysis.

Mr. Phillips was born in Green county, Kentucky, August 4, 1826, being therefore 78 years, 3 months and 3 days old at the time of his death. He was married to Nancy Ann Reins in 1846. She died in October, 1877. Three children were born and survive them: James R. Phillips, of Walla Walla; Samuel T. Phillips, of Dry Creek, and Mrs. L. A. Rambo, of Weston Mountain. Twenty-four grandchildren and 22 great-grandchildren also survive him.

Mr. Phillips enlisted when 19 years old and served through the Mexican war. With his wife he emigrated from Missouri by ox team to Lane county, Oregon, in 1852. He served through the Rogue river Indian war and with his family came to Umatilla county in 1867, and settled on Dry creek, four miles east of Weston, where he resided until within the last two years, since which time he has made his home with his children.

The funeral was conducted at the M. E. church in Weston by Rev. G. W. Rigby, who had been a close friend of Mr. Phillips for 25 years. There was a very large concourse of people attending. The interment was made in the Weston cemetery.

Messenger Business.

The business of the city messenger service has largely increased of late—so much so that the company now employs another messenger boy—Willie Mack, who went on duty yesterday. This addition to the force is to meet demands on the company's facilities between 4 and 7 p. m.

The company is contracting with business firms which have no use for delivery wagons, for the delivery of packages by it. These firms are usually the drug stores, millinery stores, jewelry, dry goods and gents' furnishing establishments.

FARMERS PLEASED

CHANGE IN LEASING METHODS AFFECTS NO ONE.

Government Has Not Required Farmers Holding Large Leases to Surrender Them, at a Loss, But Permits Old Leases to Be Carried Out—New Leases Must Be Made to Conform to the Regulations—Best of Feeling Between Farmers and Government Officials.

"The farmers of the reservation are well pleased with the way in which the government is treating them on the leasing question," said L. L. Mann, one of the prominent farmers of the reservation, east of Pendleton.

"Many outside farmers, and especially people not familiar with the situation on the reservation, and not familiar with the details of the government plans in regard to the change in the method of leasing, thought the change meant disaster to the big farmers, but such is not the case. Where farmers were holding more than 640 acres, prescribed as the limit under one lease, the government investigated the case and after finding that the leases had been made in good faith, and that the farmer had money invested in implements necessary for farming on a large scale, the government did not require the excess land to be surrendered at once, but permitted the lease in force to run out, and then will require strict compliance with the 640-acre limit in renewing the lease.

"This liberal action of the government has left the best of feeling between the farmers and the government officials on the reservation, and the changes will not affect the farmers seriously, in any particular."
